REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-10 recite a semiconductor memory device having a plurality of memory cell arrays and a redundant memory cell array.

The prior art does not teach or suggest the following limitations:

a plurality of redundant judgment circuits, each of which is used for storing an address of a defective memory cell of the corresponding memory cell array, wherein each of the redundant judgment circuits include a block judgment unit which outputs a block judgment signal and an address judgment unit which outputs a redundant judgment signal; and

wherein the address judgment unit outputs the redundant judgment signal when the block judgment is output from the block judgment unit and the address of the defective memory cell matches an external address, so that the redundant memory cell array is accessed in place of the corresponding memory cell array which includes the defective memory cell.

Therefore, the application is in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huan Hoang whose telephone number is (571) 272-1779. The examiner can normally be reached on Mon-Fri 8:30AM-5:00PM.
